WORK HISTORY

Lecturer, Department of Language, Literature and Communication, Rensselaer Polytechnic Institute, Troy, NY 1986-1987

PERSONAL PROJECTS

Lecturer, Department of Language, Literature and Communication, Rensselaer Polytechnic Institute, Troy, NY 1986-1987

EDUCATION

B.A. Computer Science, Central College, Pella -IA 2004-2005

SKILLS

- Well-versed with creating/deploying/maintaining small to medium sized web applications on my own.
- Can effectively work with large codebases and large teams distributed over continents.
- Experienced with beeping pagers at 3am supporting and maintaining large applications after launch.
- Most Recent technology experience with Ruby, Rails, Javascript, MySQL, MongoDB, Neo4J. There are other parts of resume *cough*Java/Spring/Hibernate*cough* that I prefer to avoid now
- Experienced with Introducing Agile processes and practices to teams. Coaching teams on practices such as TDD, Pair Programming.

BUZZWORDS

Ruby on Rails, Sinatra, Ruby, Java, Javascript, Coffeescript, Backbone, MySQL, MongoDB, Neo4J, RSpec, Jasmine, Cucumber, Capybara, Git, Agile, XP, TDD, BDD, HAML, SASS, CSS, Continuous Integration, Continuous Delivery
